

Compressed Air offering

The Entergy Solutions Compressed Air offering provides cash incentives for qualifying customers to identify and repair leaks, generating substantial energy and cost savings for Entergy Louisiana customers.

Did you know?

20-30%

of a compressor's output can be wasted due to compressed air leaks.

Leak size	Annual energy cost of leak*
1/64 inch	\$17
1/32 inch	\$60
1/16 inch	\$241

*Assumes 80 psig, two-shift operation, \$0.10/kWh.

Incentives

Compressed air system operating schedule	Incentive**
24/7 operation (24 hours/day, 7 days/week)	\$90 per leak repaired
Three-shift (24 hours/day, 5-6 days/week)	\$85 per leak repaired
Two-shift (16 hours/day, 5-7 days/week)	\$60 per leak repaired
Single-shift (8 hours/day, 5-7 days/week)	\$30 per leak repaired

**Subject to incentive fund availability. Request pre-approval to guarantee fund availability. Incentive caps apply; see page 2.

Requirements

- A leak survey of all compressed air distribution and compressed air consuming equipment must be completed with an ultrasonic leak detector capable of measuring dB.
- All leaks identified during a leak survey must be tagged and included in incentive application, regardless of whether they are repaired.
- Customers must leave leak tags in place for 12 months.
- Compressed air systems capable of air or data logging must submit logging data (two weeks prior to repairs and two weeks post repairs).
- All leaks larger than 1 CFM must be fixed.
- Repaired leaks are not eligible for incentive for five years after the initial leak repair incentive; new leaks are eligible annually for incentives.

Compressed Air offering application process

Under \$5,000 estimated incentive	Over \$5,000 estimated incentive
No pre-approval required	Pre-approval required
1. Engage Entergy Solutions trade ally to complete leak survey. Trade ally will tag and catalog all leaks found.	1. Engage Entergy Solutions trade ally to complete leak survey. Trade ally will tag and catalog all leaks found.
2. Trade ally repairs leaks by replacing or repairing faulty equipment.	2. Trade ally submits pre-approval application package to the Entergy Solutions program including:
3. Trade ally submits application package to the Entergy Solutions program including:	Compressed Air Leaks Application workbook, all tabs complete. One Entergy Louisiana bill for project site. Project itemized invoice. W-9 for incentive payee. Photos of compressor name plate. Pre- and post-logging data (if available).
