
ADDITIONAL FACILITIES CHARGE RATE SCHEDULE

I. AVAILABILITY

This rate is available to Customers of Entergy Louisiana, LLC (“ELL” or the “Company”). This Additional Facilities Charge Schedule (Schedule AFC) is available to Customers taking Service under the Company’s Rate Schedules for Electric Service.

This rate is available where facilities of adequate capacity and suitable phase and voltage are adjacent to the premises to be served, and Service is taken according to the Terms and Conditions and Service Standards of the Company.

Note: Generally, unless otherwise specified herein, capitalized terms used throughout this document are as defined in the Company’s Terms and Conditions.

II. APPLICABILITY

When the Company installs facilities other than those normally furnished for like levels of Service to similar Customers (“Additional Facilities”), the Customer will enter into a Facilities Agreement with the Company and pay to the Company a net monthly charge based on the investment by Company in such facilities and the monthly percentages from either Option A or Option B below, as appropriate. At the execution of each Facilities Agreement, the Customer will have a one-time election, subject to certain circumstances under which this election may be changed upon Customer’s request and in the sole discretion of the Company, to select either Option A or Option B for the definition of the monthly rate associated with Company’s investment in the Additional Facilities. Any subsequent capital additions, replacements, or modifications of facilities will be treated as described in Option A and Option B below.

OPTION A

Customers that select Option A for Additional Facilities must pay a net monthly facilities charge of 0.914% per Month of the installed Cost of all facilities included in the Facilities Agreement. Subsequent capital modifications or additions to such facilities will be subject to the above rate as applied to the Cost of the additions or modifications. Subsequent replacement of an Additional Facilities component will be subject to the above rate, as applied to the excess of the Cost of replacement over the original installed Cost of the replaced facilities in addition to the original facilities charge.

Under certain circumstances, where Customer has requested to change their election of Option A, and where Customer has either satisfied the minimum contract term of 10 years prescribed in the Facilities Agreement or has undergone a change in ownership such that the customer can be considered a New Customer, as defined in this paragraph, Customer may be permitted to terminate the Facilities Agreement and initiate a new Facilities Agreement with an election of Option B, subject to the sole discretion of the Company. A New Customer for the purposes of this Rider may be a non-affiliated parent company or the equivalent of a parent company (e.g., any corporate entity or its subsidiary), in the sole judgment of the Company, that is taking over or assuming permanent operations at the service location. A New Customer can include a joint venture company in the event that the parent company of the majority owner (with at least 51% ownership of such joint venture) is a non-affiliated entity. In such cases where Customer is permitted by Company to terminate the Facilities Agreement with an election of Option A and initiate a new

Facilities Agreement with an election of Option B, the original cost of the investment by Company in such facilities installed on behalf of Customer shall become the basis for the monthly charge under Option B calculated in accordance with this Schedule AFC.

OPTION B

Customers that select Option B for Additional Facilities must define in the Facilities Agreement the number of years (the "Recovery Term") that will define the appropriate monthly rates to be applied to the Company's investment. The Recovery Term cannot be longer than 10 years. The following table specifies the monthly percentages for application during the selected Recovery Term and any years following the Recovery Term. These percentages will apply monthly to the installed Cost of all facilities included in the Facilities Agreement.

<u>Selected Recovery Term (Years)</u>	<u>Monthly % During Recovery Term</u>	<u>Monthly % Post-Recovery Term</u>
1	8.930%	0.182%
2	4.753%	0.182%
3	3.365%	0.182%
4	2.674%	0.182%
5	2.261%	0.182%
6	1.988%	0.182%
7	1.794%	0.182%
8	1.650%	0.182%
9	1.540%	0.182%
10	1.452%	0.182%

Subsequent modifications and additions to Additional Facilities covered by a Facilities Agreement shall be subject to a new Option B Facilities Agreement covering the installed Cost of such facilities, wherein Customer must select a Recovery Term that will define the appropriate monthly rate for such Cost.

Subsequent replacement of an Additional Facilities component shall be subject to a new Facilities Agreement covering the installed Cost of such item and the Customer may select either Option A or Option B for such item. If, during the post-recovery term, the Facilities Agreement covering the replaced item remains in effect because there was not a total replacement of the Additional Facilities covered by the Facilities Agreement, the Costs covered by such agreement shall be reduced by the original Cost of the replaced facility. If the replacement occurs prior to the end of the Recovery Term for the replaced facility, the replacement installed Cost shall be reduced by the salvage value of the replaced facility, if any.

III. ADDITIONAL FACILITIES CONVERTING FROM RATE SCHEDULE FACILITIES SERVICE

For Customers that switch from facilities Service pursuant to a Rate Schedule that incorporates a facilities charge provision to facilities Service under the terms of this Schedule AFC, the installed Cost covered by the new Facilities Agreement will be the Cost of installation upon which facilities charges were based prior to moving to this Schedule AFC. Subsequent capital additions, replacements, and/or modifications of facilities
