
LARGE SEASONAL LOADS RIDER

I. AVAILABILITY

This Rider is available to Customers of Entergy Louisiana, LLC (“ELL” or the “Company”), for which the point of interconnection with ELL is located within the Legacy ELL Service Area, or any qualifying Customers of ELL for which the point of interconnection is located outside of the Legacy ELL Service Area. For a Customer having a point of interconnection outside of the Legacy ELL Service Area to qualify to take Service under this schedule, the Customer must (1) have a minimum new firm load (or increase in firm load) of 500 kW; (2) execute a new Electric Service Agreement, or execute an amendment to an existing Electric Service Agreement to reflect the increase in firm load for billing purposes; and (3) in the case of an existing Customer increasing firm load under (1), above, that existing Customer must provide the Company with a notarized affidavit in conjunction with executing its new (or amended) Electric Service Agreement that contains (i) a statement that the existing Customer is adding at least 500 kW of new firm load, and (ii) a brief written description of the project(s) or process(es) causing that increase in firm load.

This schedule is available to Customers at all points throughout the territory served by the Company, where facilities of adequate capacity and suitable phase and voltage are adjacent to the premises to be served, and Service is taken according to the Terms and Conditions and Service Standards of the Company. Where facilities of adequate capacity and suitable phase and voltage are not adjacent to the premises to be served, Company may, at its option, require a contribution, higher minimum bill, facilities charge, or other compensation to make Service available.

Note: Generally, unless otherwise specified herein, capitalized terms used throughout this document are as defined in the Company’s Terms and Conditions.

II. APPLICATION

To any industrial Customer served under the Large General Electric Service, LGS-L Rate Schedule, whose electric Service requirements occur predominately during Company’s off-peak season and who contracts for Service in sufficient quantity and for a sufficient period of time, in accordance with the Company’s line extension plan, to justify the Company in installing its Service facilities and leaving them in place from season to season.

Not applicable to short term, temporary breakdown, standby, or supplementary Service.

All provisions of the Rate Schedule with which this Rider Schedule is used will apply except as modified herein.

LARGE SEASONAL LOADS RIDER

III. BILLING

Net Monthly Bill will be the same as computed under the Large General Electric Service Rate Schedule ("LGS-L"), except that in the billing Months of May through October it may, if it is cheaper, be an amount computed for the Demand during the current Month with all energy used during the current Month billed at the unit price per kilowatt-hour in the initial block of the energy charges in such Rate Schedule, subject to the following conditions:

That the Monthly Minimum shall be the same as under the Large General Electric Service Rate Schedule ("LGS-L"), provided however, that such Minimum shall not be more in any Month billed at the foregoing option than an amount sufficient to make the total charges for the twelve Months ending with the current Month equal to twelve times the minimum otherwise effective for such current Month.

IV. CONTRACT PERIOD

As specified in Customer's Electric Service Agreement.
