I. AVAILABILITY

This Geaux Green Limited Rider (“GGL”) is available to non-residential Customers of Entergy Louisiana, LLC (“ELL” or the “Company”) to provide Customers with an opportunity to voluntarily subscribe to a renewable energy resource.

Rider GGL is available to eligible, non-residential Customers of the Company that elect to participate in this option, take metered electric service, and are in good standing with the Company. Service to participating Customers under this Rider GGL must be the subject of an ESA with the Company or an amendment to same.

Availability to eligible Customers is in accordance with the procedures in Attachment A, including the cumulative cap on subscriptions to Riders GGO and GGL therein, provided that the Company has sole discretion to determine whether a Customer is eligible for Rider GGL and to enter definitive agreements for Designated Renewable Resources that will supply Rider GGL. The total amount of Capacity of the Designated Renewable Resources that is available for enrollment under Rider GGL is defined in Attachment B.

Note: Generally, unless otherwise specified herein, capitalized terms used throughout this document are as defined in the Company’s Terms and Conditions.

The initial term of agreement under GGL shall be for a minimum of a one-year period. After a Customer has participated in GGL for at least one year, the agreement shall automatically be extended on June 1 of each year for successive periods of one year each until terminated by written notice given by one party to the other not more than six months nor less than two months prior to June 1.
