II. HIGH PRESSURE SODIUM VAPOR LIGHTING ON COMPANY OWNED SYSTEM

When Company owns, operates and maintains a high pressure sodium vapor street lighting system:

- a. The energy and lamp Service charges as provided in IV.I. plus 1.292% monthly on the average Cost per lamp for the entire Cost of the street lighting installation. This provision is closed to all new applications as of May 31, 2005. On and after June 1, 2005 Customers requiring the installation of facilities other than those normally furnished for like levels of Service to similar Customers may apply for facilities Service under the terms of either Option A or B of the Additional Facilities Charge Schedule AFC-L or Schedule AFC;
- b. 1% monthly on the average Cost per lamp for the entire Cost of the street lighting installation when Customer contributes the entire Cost, plus the energy and lamp Service charges as provided in IV.I.

The "Entire Cost" of the street lighting installation shall include Cost of luminaires, fixtures, standards, lamps, controls, overhead or underground Service wires and cable, any other associated street lighting equipment, installation labor, stores and supervision and engineering. The Cost of distribution transformers and facilities to provide energy shall not be included in the Cost of the street lighting installation.

Lighting service associated with such replacements will be under the appropriate rate schedule associated with the LED replacement.

Replacement of burned out lamps will continue as long as lamps are available. However, when fixtures or lamps need to be replaced and are no longer available, fixtures will be replaced with an equivalent fixture from the SHL-LED rate schedule and will be billed at the then current rate of the replacement. Photocell or lamp failure will not be considered a fixture failure. Any equivalent fixture replacements, what result in an increase in the monthly rate, will not occur prior to proper written notice is provided to any customer(s) whose fixtures will be replaced.

V. PAYMENT

The Net Monthly Bill is due and payable each Month. If not paid within twenty days from the date of billing, the Gross Monthly Bill, which is the Net Monthly Bill plus 2%, becomes due after the gross due date shown on the bill.

VI. CONTRACT PERIOD

The Contract period shall be for a minimum of three Years and at Company's option may be longer to justify the investment in street lighting installations.
